LNER's Kate McFerran, Director of Communications, has invited all members of the Harrogate Line Supporters Group to join a celebration of the official launch of new Azuma services between Harrogate and London King's Cross on Tuesday 3rd December, ahead of their full introduction in mid-December.

A specially chartered five-car AZUMA will run from Harrogate Station to Leeds and back again – departing at 10.29 and returning at 12.15. As capacity is limited please let me know if you wish to participate in this unique occasion. Please email: Info@HarrogateLine.org and ALSO copy your reply to Azuma@LNER.co.uk

The detailed arrangements for the day are printed on the attached Azuma Media & VIP Invite. The event starts in a marquee on the Station Car Park opposite the Harrogate Tap. Guests may arrive from 09.30 for a welcome celebration at 09.50 before boarding the new AZUMA at 10.20 and departing for Leeds at 10.29. The train leaves Leeds at 11.45 and returns to Harrogate at 12.12. *(Please note timings are for guidance and may be subject to change.)*

We would be delighted if you could join us and help mark this important moment for the town.
